--- denotes the course/requirement is either waived or substituted

( ) indicates the reuse of the same course to fulfill more than one requirement.

In the context of this excerpt, it is necessary to note that it contains a complete list of graduation requirements for the program of study. Students should refer to the Program Catalog or Curriculum Handbook for updated graduation requirements. For up-to-date information on course offering and scheduling, students should check with their respective School and Department.

Notes:
1) Indicates the course of the same course to fulfill more than one requirement.
2) Denotes the course/requirement is either waived or satisfied.
3) #1 graduates: students should complete all requirements as specified for GUPD.
